Re: Central Quality Industries, Polo, Illinois

Dear Mr. Bartelt:

Per a discussion with Mr. Michael O'Toole of your office, I am submitting the completed Form 103(c) for Central Quality Industries. Central Quality Industries only recently became aware of the requirement to submit this form. John Yates & Associates has been retained by Central Quality to assist them in working with their waste problems.

If you have any questions regarding the data contained on this form or its attachments, please feel free to contact me.

Sincerely,

John J. Yates, P.E.
